

MR-8 Passive Treatment System Construction

INFORMATION FOR BIDDERS

PROJECT SUMMARY: A passive mine water treatment system will be constructed along Morgan Run in Decatur Township, Clearfield County. The system includes two vertical flow ponds, one drainable limestone bed, and a constructed wetland. The project includes improvements to an existing access road and the collection and piping of mine water.

PROJECT MANAGER Clearfield County Conservation District,
511 Spruce Street, Suite 6
Clearfield, PA 16830
Project Manager, Kelly Williams

PROJECT DESIGNER Hedin Environmental
Neil Wolfe, 570-295-0063
nwolfe@hedinenv.com

BIDS DUE Monday August 17, 2015 by 4 PM to CCCD. Email or fax.
Email: kwilliamsccd@atlanticbbn.net
Fax: 814-765-1336

SITE MEETING Tuesday August 4, 2015, 9 AM

SITE DIRECTIONS At Exit 120 Interstate 80 take Route 879 West to Route 153 South. Travel 10 miles on Route 153 and turn left onto Sanborn Street. Proceed 1.14 miles on Sanborn Street to access road on left. Street address is 6725 Sanborn St, Osceola Mills, PA 16666.

SITE PLANS Plans will be made available to bidders through the Hedin Environmental web site.

INSURANCE: The contractor will provide an insurance certificate showing a minimum of \$2 million in general liability and workman's compensation insurance. CCCD and the landowners will be named as an additional insured.

BONDING: A 5% bid bond is required. The contractor will be required to post a performance and materials bond.
All Road Bonding is responsibility of the bidder.

PAYMENTS Bidders should consider that this is a PADEP Growing Greener project and that payment to the contractor may be delayed by the 6-10 week reimbursement process. Payment of the final 10% of the contract is subject to final project inspection and approval by the PADEP.

PROJECT TIMELINE: This project should be completed by November 30, 2015, weather allowing.
