

**Pipe 3 and Upper Collection System Passive Treatment Systems
Stewart Township, Fayette County, PA
Western Pennsylvania Conservancy**

GENERAL INFORMATION FOR BIDDERS

1. **PROJECT DESCRIPTION.** The project will install two anoxic limestone drains containing a total of 1,000 tons limestone and modify existing ponds and roads.
2. **MANDATORY MEETING.** All Bidders must attend a pre-bid meeting at the site on May 7, 2021. The pre-bid meeting will begin at 10 AM at the Spruell access road entrance on Bryner Road. Coordinates of meeting location: 39.874767, -79.559178. The project and meeting are on private property and no access to the site prior to the bid meeting is allowed.
3. **BIDS DUE.** Bids will be due to the Western Pennsylvania Conservancy (WPC) on May 21, 2021.
4. **SELECTION CRITERIA.** The successful bidder will be selected on the basis of total bid price, proof of insurance and bonding, previous experience, and ability to complete the project by December 31, 2021. The Successful Bidder will be notified on May 25, 2021.
5. **PREVAILING WAGES.** The project is funded by the PA Department of Environmental Protection (PADEP) and is subject to the commonwealth's prevailing wage requirements.
6. **INSURANCE.** The successful Bidder will provide WPC with an insurance certificate that shows at least \$2,000,000 of general liability insurance and Workman's Compensation and name WPC as an additional insured.
7. **BONDING.** The successful bidder will provide WPC with a Performance and Materials Payment Bond. Road bonds are responsibility of the bidder.
8. **CLEARANCE BY DEP.** All contractors and subcontractors involved in the project must be approved by PADEP.
9. **CONTRACTING AND PAYMENTS.** This project is funded by an approved PA Growing Greener grant. A contract will be signed between the contractor and WPC. Payments of approved invoices will be paid after reimbursement by PADEP.
10. **COMPLETION OF WORK.** The project must be completed by December 31, 2021.
11. **PROJECT WEBSITE.** Project information including this document, project plans, and amendments to the project plans and specifications can be found at: <http://www.hedinenv.com/biddocs.html>. Contact WPC or Hedin Environmental for password information.
